

Carrot Ginger Juice

Servings:

2

Prep Time:

5 minutes

Ingredients

- 4 Carrots, cut into 1 inch pieces
- 2 Gala Apples, sliced
- 2 Lemons, juiced
- 2 cups Water
- 1-2 pieces Ginger, peeled

Method of Preparation

Step 1

Peel and cut carrots into 1 inch pieces.

Add to the blender.

Step 2

Slice the apples, removing the core.

Add to the blender.

Step 3

Add the juice from the lemons and water.

Peel the ginger and add 1-2 pieces.

Step 4

Blend on high for 2 minutes. Add additional water if needed.

Step 5

Using a mesh strainer or cheese cloth, let the liquid drain from the pulp into a measuring cup.

Press down on the pulp, squeezing all of the remaining liquid. Pour over ice and enjoy!
